## 53mm x 53mm Star Shape Two Magnet Template

**Blind Area (Green) 53mm x 53mm**  
Remove your background to fit the full blind area. This will ensure you don't end up with white edges when your Magnets are laminated.

**Trim 53mm x 53mm**  
This is where we aim to cut your Magnets.

**Safe Zone (Green from Trim) 47mm x 47mm**  
Keep all the important bits of your design (text, logos, icons) inside this area. (Not your background, that still needs to run to the edges of the Blind Area)

- Size and save your files CMYK
- Minimum font size: 8pt
- Minimum stroke thickness: 0.5pt
- Images should be 300dpi when importing
- Package all font files
- Dotted all images and elements
