## 97mm x 97mm 'Sutton' Magnet Template

**Bleed Area (2mm): 101mm x 101mm**  
Extend your background to fill the full bleed area. This will ensure you don't end up with white edges when your Magnets are trimmed.

**Trim: 97mm x 97mm**  
This is where we aim to cut your Magnets.

**Safe Zone (3mm from Trim): 91mm x 91mm**  
Keep all the important bits of your design: text, logo, icons - inside this area. (Not your background, that still needs to run to the edges of the Bleed Area)

- Edit and save your file in CMYK
- Minimum font size: 6pt
- Minimum stroke thickness: 0.4pt
- Images should be 300dpi when importing
- Package all font files
- Embed all images and elements
